

FOX CREEK WINES

LIMITED RELEASE

Nero d'Avola

VINTAGE

2021

APPEARANCE

Bright cherry red

BOUQUET

Fresh red fruits of raspberry, cherry and pomegranate burst from the glass with subtle hints of dried herb and brown spice.

PALATE

A beautiful, fresh and lively palate dominated by fresh raspberries which persist long after the wine has left the mouth. Soft tannins frame the palate whilst a racy acidity give the wine focus from start to finish.

Careful handling and minimal oak use have allowed this wine to express the variety and vineyard without overt winemaking influence.

This variety has the finesse and freshness which shows how well it performs in this region's climate. The medium body, very Italian flavour profile and savoury tannins means it pairs exceptionally well with food.

ALCOHOL

13.5%

AGEING POTENTIAL

This wine has been made to enjoy now whilst it is young and vibrant.

WINEMAKING

The fruit for this wine was carefully crushed to a small 2.5 tonne fermenter, hand plunged twice daily for 8 days, before being pressed to 4-5-year-old French oak puncheons.

WINEMAKERS

Ben Tanzer + Steven Soper
