This delicious cocktail is a twist on a Kir Royale. The jam, lemon juice and gin serve as a lovely fruity and floral base. Use a good quality jam as it is a key flavour.

The lovely effervescent crispness of the Arctic Fox accentuates all the florals from the gin and raspberries. The lemon juice balances out the sweetness of the raspberry jam with a fresh citrus taste. More florals hit the palate from the gin. Everything comes together to produce a delightful drink for any occasion!
