### APPEARANCE

Dark red with purple hues.

### BOUQUET

An opulent, generous nose dominated with rich dark fruits of ripe plum, cassis and blackberry over milk chocolate, nutmeg, and cinnamon.

### PALATE

Concentrated, black cherry, blueberry and juicy plum combine with milk chocolate, lightly roasted nuts and brown spice to provide a flavoursome palate that is given focus and shape with balanced acidity and structural tannin.

### ALCOHOL

14.5%

### AGEING POTENTIAL

This wine is made to be enjoyed now while it is fresh, young and vibrant but has the capacity to develop and soften given time in bottle.

### WINEMAKING

The fruit for this wine was picked on flavour maturity in the vineyard, then fermented for 7-8 days on skins, before being matured in older French and American hogshead barrels. Careful handling from vineyard to bottle preserved the primary fruit flavours we aim for in this wine.
